

Above left: the new bathroom according to Ceramica Bardelli.  
 Beside that: a scene by Manifattura del Duca. This company represents the most rustic aspect of the Richetti Group, focusing on natural stone.  
 Below left: the Marble Experience by Italgraniti. It is a tile collection where three essential principles meet: selection of the finest marbles, technological innovation and exclusive materials, for the design of unique surfaces with a tile thickness of 6 mm. It is a functional tool for designing original, exquisite surfaces. Beside that a bath room setting by Globo with its iconic Incantho.
